COMMUNITY

Over the last five years we've been making the Marine an even more important part of the community by widening participation in arts and culture. We welcome performers from diverse backgrounds, so all members of the community are represented on stage. We relaunched the Marine Youth Theatre with bursaries - an introduction to performing for children. There is something for everyone each month. We make sure there are free and cheap events. Increasingly we've created opportunities to perform or get involved with Community Plays, Sunday Sessions, Senior Creative sessions, volunteering, and Play Reading Groups. But if you just want to sit and watch or look at the view, that's fine too!

VOLUNTEERING

Whether it's ushering, hosting performers, or even DIY, there are lots of ways to support the running of our busy venue. If you have time to spare and would like to get involved, please email friends@marinetheatre.com.

Headlining Lyme Regis' holiday cottage scene...

Whether you're after a dog-friendly break, beachside cottage or luxury family home with its very own swimming pool, we're sure we have the ideal escape for you. Choose from over 1300 holiday cottages in fabulous coastal, waterside and rural locations throughout Lyme Regis, Dorset and beyond.

WELCOME

Welcome to another year of culture and community at the Marine.

We couldn't be more excited about our gala event on 28 January. It's the official opening of our new cinema programme; you can read more about how this came together on page 9. Hollywood actor Brian Cox will be here in person for a screening and interview. This event is taking place during Independent Venue Week, when we're also welcoming Gilles Peterson. The BBC Radio 6music presenter will celebrate the importance of independent music and arts venues like us with a special DJ set and a live performance by Oreglo, a young band from London.

Our youth programme continues to be popular with over 80 children taking part weekly. Now, as well as acting, singing, dance and musical theatre, we are moving into music with new monthly DJ sessions starting this February. This is a great opportunity for all aspiring DJs to emerge from their bedrooms and hear their mixes in a real venue.

Meanwhile, our older community can once again take part in 'Senior Creatives' - back by popular demand. Once a month, there will be singing and dancing with complimentary tea & cake.

Looking forward to seeing you very soon at the Marine!

CINEMA

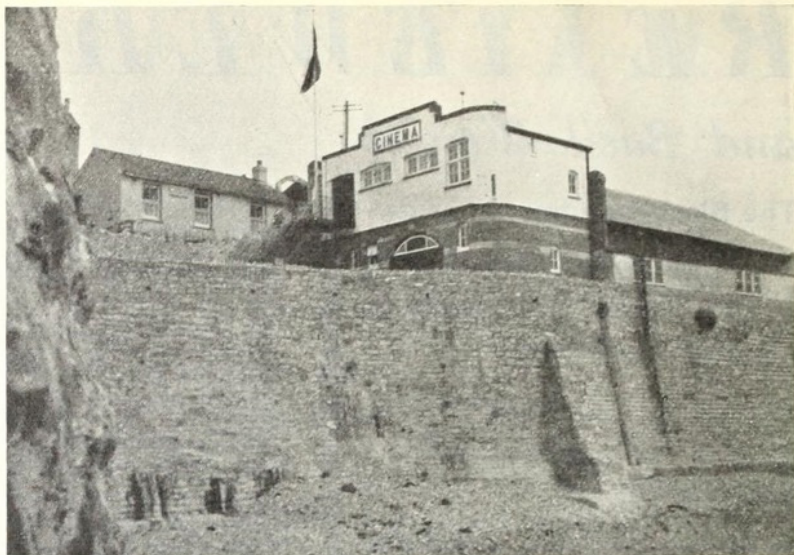

We are delighted to announce that cinema is returning to Lyme Regis, after the sad loss of the Regent. Over the last three years, we have worked hard fundraising in order to offer our local community the very best cinema experience possible without having to travel out of town. Our efforts have now paid off, and from the end of January we open our doors for our community to enjoy recent films.

Our audience has been at the very heart of our plans. We are pleased to share a full cinema experience with a state-of-the-art DCP projector, new comfortable seating, beautiful golden British velvet curtains alongside an enhanced sound system.

We thank all the organisations that have made this possible. Our particular gratitude is due to Lyme Regis Town Council, for generous help with cinema and also its continued support of the Marine over the years. Grateful thanks are also due to Dorset Council, Backstage Trust, and Garfield Weston.

Details of the films will be shared on the Marine's website - and please look out for special cinema events and family films during holiday times. Films are often booked later than other events, so screenings after the middle of February will be publicised on our website and on posters in due course and won't always be in this programme.
